WELCOME TO THE WEST BLOOMFIELD ZONING BOARD OF APPEALS (ZBA)

The ZBA meets at 5:30 p.m. on the first and third Tuesday of each month, as needed (times and dates are subject to change). All meetings are open to the public. The ZBA is a five member body appointed by the township board that is established and regulated by state statute and township ordinance. The ZBA decides:

- All matters referred to it upon which it is required to pass under the zoning ordinance.
- Appeals where it is alleged there is error of law in any order, requirement, decision or determination made by the building inspector in the enforcement of the zoning ordinance.
- Where, owing to special conditions, a literal enforcement of the provisions of the zoning ordinance would involve practical difficulties or cause unnecessary hardship within the meaning of the zoning ordinance, the ZBA shall have power upon appeal in specific cases to authorize such variation or modification of the provisions of the zoning ordinance with such conditions and safeguards as it may determine, as may be in harmony with the spirit of this chapter and so that public safety and welfare be secured and substantial justice done. Variances or modifications of the provisions of the zoning ordinance shall not be granted unless it appears beyond a reasonable doubt that all of the following facts and conditions exist:
 1. There are exceptional or extraordinary circumstances or conditions applicable to the property involved or to the intended use of the property that do not apply generally to other properties or class of uses in the same district or zone;
 2. The variance is necessary for the preservation and enjoyment of a substantial property right possessed by other property in the same zone and vicinity;
 3. Granting of the variance or modification will not be materially detrimental to the public welfare or materially injurious to the property or improvements in such zone or district in which the property is located;
 4. Granting of the variance will not adversely affect the purpose or objectives of the township's master plan.
